**OTG to Bring Innovative Dining to Tucson International Airport**

PHILADELPHIA, PA – OTG Management Inc. is pleased to announce that it has commenced operations at Tucson International Airport as of July 1. OTG has taken over the existing food & beverage program at the Airport and is planning a major renovation of the existing facilities to be completed by year-end. In total, OTG will operate 12 locations at the Airport, including:

***Jet Rock Bar & Grill***

OTG's premier brand is a celebration of music and food. At any time, at least 24 varieties of beer will be available on tap as well as a wide selection of wines and cocktails. The menu will feature tasty entrees and lighter snacks.

***Cibo Express Gourmet Market***

Customers can mix and match their favorites to create the perfect meal or snack. Freshly prepared and packaged to go, over 500 food items are offered at this unique, gourmet market, including a selection of organic products.

***Cheeburger, Cheeburger***

The menu of this national favorite features, of course, delicious, signature cheeseburgers. The famous Pounder burger is 20 oz. of premium beef. For those who want something other than a burger, the menu also a selection of sandwiches and savory salads.

***Boar's Head Deli***

This popular deli will offer a wide assortment of sandwiches, salads, soups and sides. Boar's Head has used only the finest quality ingredients to make its deli meats and cheeses since first opening in 1905.

***Arizona Sports Grill***

Designed to appeal to sports fans – especially Arizona sports fanatics – this space will feature authentic sports memorabilia from Arizona teams and multiple flat-screen televisions in a comfortable bar and grill setting.

***Carmella's Kitchen***

The focal point of this food court eatery is the working brick oven that is used to make mouthwatering pizzas and calzones. In addition to pizza, the menu will include a selection of pastas, salads and Italian sandwiches.

***Sky Asian Bistro***

Sky Asian Bistro serves a variety of Asian cuisines with an American twist. Our customers can enjoy an appetizer of Japanese sushi followed by Cantonese cuisine that will make them forget Chinatown!

***Baskin Robbins***

The world's largest chain of ice cream specialty stores has created over 1,000 ice cream flavors! This location will offer at minimum 31 flavors – one for each day of the month.

OTG's food & beverage program also features local Tucson favorites - ***Taco Bron*** and ***Ike's Coffee & Tea***.

"We are excited to be working with the Tucson Aviation Authority and are looking forward to bringing a great customer experience to the passengers, visitors and employees at the Airport," said Rick Blatstein, owner of OTG Management, Inc.

OTG Management Inc. is an award-winning airport food & beverage operator with restaurants in JFK, LaGuardia, Tucson and Philadelphia Airports.
