OTG AWARDED “BEST CONCESSIONS AT JFK”

PHILADELPHIA, PA – OTG Management was presented the **2006 Customer Care Award for “Best Concessions at John F. Kennedy International Airport”** by the Port Authority of New York & New Jersey at its annual Customer Care Awards Luncheon on Thursday, May 31, 2007.

The award was based on the results of the Port Authority's Performance Measurement Program, which includes the customer satisfaction survey, mystery shopping and facility inspections. In particular, OTG was recognized for "...its cleanliness, employee attitude and overall pleasurable experience for your operations at Terminal 6."

"...We are truly honored to receive this award. Our crewmembers are hardworking and dedicated to providing an extraordinary experience for our customers. Our success is also due in large part to our strong working relationship with both the Port Authority and JetBlue," said Rick Blatstein, CEO of OTG.

As the prime food & beverage concessionaire at the JetBlue Terminal at JFK, OTG operates more than 15 facilities, serving only the highest quality menu items. Diners at JFK Terminal 6 can enjoy everything from fresh sushi to juicy cheeseburgers.

OTG Management is an award-winning airport food & beverage operator with restaurants in JFK, LaGuardia, Boston Logan, Tucson, Washington National, Washington Dulles, and Philadelphia Airports. OTG original concepts include Cibo Express Gourmet Markets, Sky Asian Bistro, Jet Rock Bar & Grill, Deep Blue Sushi, Boar's Head Deli, and many other full-serve and quick-serve restaurants.
